## **This will help you explore and record the courses you may be interested in studying at third level.**

- At this point there is no need to prioritise your courses; this can be done in consultation during your careers appointment.
  
- **For the CAO**
  - Research the CAO Hand Book, college prospectus, *Qualifax* and other relevant websites and choose courses that you feel might be suited to you, your aptitudes and your projected points in the L.C.
  - Find the entry requirements for each course.
  - Find the contact details of each College.
  
- **For UCAS**
  - Explore the course/college you would like to attend.
  - Choose courses from similar disciplines.
  - Find the entry requirements for Irish Certification.
  - Explore the funding possibilities.
  - Find the contact details for each College.
  - Include your personal statement as completed during your Communication Module.

**Please bring this paperwork with you to your careers appointment and keep for your future reference afterwards.  
This will simplify the process of completing CAO, UCAS and PLC applications**
