

Moate Community School Taster Programme begins Monday 31st January

After a really successful open day and open night MCS had the pleasure of welcoming 6th and 5th class students from the local national schools to the first night of the taster programme. Night one was all about sport and with a huge turn out of 200 students a fun evening was had by all.

Mr Duffy, Mr Tormey and Mr Hatton welcome the students in the school gym.

The students enjoy the evening
