

Pieta House CEO visits Moate Community School

On Monday November 28th, 2011 the CEO of Pieta House, Mrs. Joan Freeman visited Moate Community School to receive a cheque for €415 in recognition of the great work Transition Year students conduct in the area of suicide prevention. This money was raised by the Transition Year 1 class of 2010-2011 as part of their Young Social Innovators project entitled *Don't Hide, Confide*. The project focused on mental health issues and suicide and its effects on young people in Irish society. Mrs. Freeman expressed her gratitude to the students for their wonderful project and for donating the money raised to Pieta House.
