

Moate Community School students win Regional Finals of ISTA Science Quiz and represent the school in the National final in TCD

Moate Community School was delighted when one of its teams won the North Midlands ISTA Senior Science Quiz at the AIT on Nov 17th. The students are Niamh Broderick, Sarah Maguire and Emmet Gill.

Approximately 30 teams took part, representing schools from as far as Galway and Monaghan. Questions ranged over the sciences, Physics, Chemistry, Biology as well as some more abstract areas of science.

Despite huge competition from the other schools, the team from MCS won by a large margin.

The students then went on to represent the school in the National Final of the ISTA Senior Science Quiz, which was held on 26th Nov in Trinity College Dublin. Nearly forty teams took part in the final, scores were very close among the top ten teams. The team from MCS came seventh with just two questions away from receiving a prize.

MCS would like to commend the students on their preparation and participation in the quizzes.
