

Parents Group continues to thrive in Moate Community School

The parents group, initially set up as part of the Home School Community Liaison programme in the school, has continued to thrive and this year is no different. The group met for the first time on Thursday 10th November and put a plan in place for the remainder of the year.

The group is based on parents of children from the school getting together in the school to improve or develop a skill. The skills are varied and in the past the group has engaged in baking, sewing, art, felt craft, card making, jewelery making, stained glass and much more. The most important part of the morning is the cup of tea and chat which allows everybody to get to know one another. With a special room in the school designated for this activity, it is a great way to get to know other parents and to get to know the running of the school. As always new members are welcome and if anyone is interested please contact Ms. Mc Cormack at the school. The next session is on Tuesday 15th, 10:30-12:00. Between now and Christmas, the group will be making jewellery, Christmas decorations, Christmas Wreaths and a Christmas Flower arrangement. Come along and join in the fun.
