

Moate Community School wishes its Sporting Hero Well in All Ireland final

The staff, students and management of MCS would like to wish Patrice Keogh the very best of luck this coming Sunday in the All Ireland Intermediate Final in Croke Park.

Patrice, a former student of MCS, has been teaching in the school and Business College for a number of years. Along with her Moate Ladies team mates, Michelle Malone and Carol Butler, both past pupils of MCS, Patrice will line out at half forward for her county, in what is expected will be a wonderful sporting occasion.

The game will kick off at 2pm this coming Sunday. It is the first time that the Westmeath ladies have been in the final since 198. On this occasion they will be taking on the ladies of Cavan. All support is welcome at the game and tickets are available from Moate Ladies; Adults €25, Senior Citizens €10 and Juvenilles €8.

Patrice wishes to thank her club, school, friends, family and all supporters for their help in getting to this far in the most important competition in the Ladies GAA calendar. Best of Luck, Patrice! Bring home the Mary Quinn Memorial Cup!
