

## **Moate Community School parents group raise money for Hospice**

A tradition of the Home School parents group in Moate Community School has been to knit chicks and to sell them for charity in the run up to Easter. This year the group managed to raise €870 for the Hospice and are indeed very proud to be associated with this group. This year some teachers got involved in the knitting and we hope that all who knitted so hard this year will continue to knit so we can continue our charity work next year again. Many thanks and congratulations to all involved in this worthy cause.
